

Tutorial 0

Introduction

Since this is the first tutorial, we do not have lectures to discuss. Instead we would like to get to know your computer experience to date. Please answer the following questions in your lab book.

1. What do you hope to get from this class?
2. What computer classes have you completed in school?
3. What programs have you written?
4. What kind of computer do you have?
 1. Laptop or Desktop
 2. Processor
 3. Memory
 4. Operating System (i.e. Windows, Mac or Linux)
5. Do you have access to the Internet at home?
6. Do you have wifi at home?
